**REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on April 12, 2006 as a national phase application of PCT/DK2004/000750 filed October 29, 2004. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of U.S. provisional application no. 60/518,916 filed on November 10, 2003.

The filing receipt mailed July 31, 2008 incorrectly lists the priority PCT application filing date as April 12, 2006 instead of October 29, 2004 in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a corrected domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: February 25, 2010
